DISCLAIMER

This document is for discussion and information purposes only. It is highly confidential and it is the property of Natixis. It should not be transmitted to any person other than the original addressee(s) without the prior written consent of Natixis. This document is a marketing presentation. It does not constitute an independent investment research and has not been prepared in accordance with the legal requirements designed to promote the independence of investment research. Accordingly there are no prohibitions on dealing ahead of its dissemination. The distribution, possession or delivery of this document in, to or from certain jurisdictions may be restricted or prohibited by law. Recipients of this document are therefore required to ensure that they are aware of, and comply with, such restrictions or prohibitions. Neither Natixis, nor any of its affiliates, directors, employees, agents or advisers nor any other person accept any liability to anyone in relation to the distribution, possession or delivery of this document in, to or from any jurisdiction. This document is communicated to each recipient for information purposes only and does not constitute a personalised recommendation. It is intended for general distribution and the products or services described herein do not take into account any specific investment objective, financial situation or particular need of any recipient. It should not be construed as an offer or solicitation with respect to the purchase, sale or subscription of any interest or security or as an undertaking by Natixis to complete a transaction subject to the terms and conditions described in this document or any other terms and conditions. Any guarantee, funding, interest or currency swap, underwriting or more generally any undertaking provided for in this document should be treated as preliminary only and is subject to a formal approval and written confirmation in accordance with Natixis' current internal procedures.

Natixis has neither verified nor independently analysed the information contained in this document. Accordingly, no representation, warranty or undertaking, express or implied, is made to recipients as to or in relation to the accuracy or completeness or otherwise of this document or as to the reasonableness of any assumption contained in this document. The information contained in this document does not take into account specific tax rules or accounting methods applicable to counterparties, clients or potential clients of Natixis. Therefore, Natixis shall not be liable for differences, if any, between its own valuations and those valuations provided by third parties; as such differences may arise as a result of the application and implementation of alternative accounting methods, tax rules or valuation models. Prices and margins are deemed to be indicative only and are subject to changes at any time depending on, inter alia, market conditions. Past performance and simulations of past performance are not a reliable indicator and therefore do not predict future results. The information contained in this document may include results of analyses from a quantitative model, which represent potential future events that may or may not be realised, and is not a complete analysis of every material fact representing any product. Information may be changed or withdrawn by Natixis at any time without notice. More generally, no responsibility is accepted by Natixis, nor by any of its holding companies, subsidiaries, associated undertakings or controlling persons, or any of their respective directors, officers, partners, employees, agents, representatives or advisors as to or in relation to the characteristics of this information.

The statements, assumptions and opinions contained in this document may be forward-looking and are therefore subject to risks and uncertainties. Actual results and developments may differ materially from those expressed or implied, depending on a variety of factors and accordingly there can be no guarantee of the projected results, projections or developments. Natixis makes no representation or warranty, expressed or implied, as to the accomplishment of or reasonableness of, nor should any reliance be placed on any projections, targets, estimates or forecasts, or on the statements, assumptions and opinions expressed in this document. Nothing in this document should be relied on as a promise or guarantee as to the future. It should not be assumed that the information contained in this document will have been updated subsequent to the date stated on the front page of this document. In addition, the delivery of this document does not imply in any way an obligation on anyone to update the information contained herein at any time. Natixis shall not be liable for any financial loss or any decision taken on the basis of the information contained in this document and Natixis does not hold itself out as providing any advice, particularly in relation to investment services. In any event, you should request any internal and/or external advice that you consider necessary or desirable to obtain, including any financial, legal, tax or accounting advice, or any other specialist advice, in order to verify in particular that the investment(s) described in this document meets your investment objectives and constraints, and to obtain an independent valuation of such investment(s), and the risk factors and rewards.

Natixis is authorised in France by the Autorité de contrôle prudentiel (ACP) as a Bank – Investment Services Provider and subject to its supervision. Natixis is regulated by the AMF in respect of its investment services activities. Natixis is authorised by the ACP in France and subject to limited regulation by the Financial Services Authority in the United Kingdom. Details on the extent of our regulation by the Financial Services Authority are available from us on request. Natixis is authorised by the ACP and regulated by the BaFin (Bundesanstalt für Finanzdienstleistungsaufsicht) for the conduct of its business in Germany. Natixis is authorised by the ACP and regulated by Bank of Spain and the CNMV for the conduct of its business in Spain. Natixis is authorised by the ACP and regulated by Bank of Italy and the CONSOB (Commissione Nazionale per le Società e la Borsa) for the conduct of its business in Italy. This document is not intended for distribution in the United States, or to any US person, or in Canada, Australia, the Republic of Ireland, the Republic of South Africa or Japan.
